## WASH CARE INSTRUCTIONS

### Washing

#### DO'S:

- ✓ Hand embroidered articles should be washed separately from other items. It is advisable to wash by hand in warm water ideally using a gentle mild soap solution.
- ✓ Always ensure the soap solution is diluted before immersing the embroidery.
- ✓ Swish the embroidery around in the solution and squeeze gently.
- ✓ Rinse thoroughly in warm water, squeeze out by hand.
- ✓ Never leave the embroidery wet.
- ✓ Rollup immediately in a towel to absorb excess moisture until half dry.

#### DONT'S:

- ✓ Do Not rub vigorously.
- ✓ Do Not wring or twist.
- ✓ Do Not use bleach, especially if coloured embroidery threads have been used as it impairs the true colours.
- ✓ Do Not use harsh detergents on embroidered fabrics.

### Ironing

To press embroidery, place one or two layers of towelling on the ironing board. Lay embroidery face down on the towelling and iron while still damp using a moderately hot iron. Control the temperature for different fabrics.

Follow these simple wash care instructions while washing hand embroidered articles.
